## BACKGROUND INFORMATION

St Ambrose Catholic Primary School has 238 boys and girls, aged 3-11 on roll who mainly come from the residential area of Speke. Within each year group, there are identified pupils with special educational needs.

## AIMS

The aim of Religious Education at St Ambrose Catholic Primary School is to offer our children a study of the Mystery of God, the life and the teaching of Jesus and His church, the basis for our faith and the relationship between faith and our everyday life. We aim to achieve this through lessons which encourage our children to investigate, reflect and develop the skills and attitudes required to follow Jesus' example.

*"It is necessary, therefore, that Religious Education in schools be regarded as an academic discipline with the same systematic demands and the same rigour as other disciplines...Religious Education in schools underpins, activates, develops and completes the educational and catechetical activity of the whole school."*

*(Religious Education Curriculum Directory - 2012).*

## THE RELIGIOUS EDUCATION PROGRAMME: COME AND SEE

To fulfil our aims in Religious Education, we use the *Come and See* programme prescribed by the Archdiocese of Liverpool which involves:

- Exploring the religious dimension of questions about life, dignity and purpose within the child's own experiences and within universal experiences.
- To value our Christian belief in Jesus Christ, Word and Revelation about God.
- Links to other faiths.

**Children** *come and see the wonder of all that is within them and beyond them.*

**God** *offers the invitation to come and see.*

**Teachers** *facilitate the opportunity for children to come and see.*

The *Come and See* programme is split into 2 attainment targets, these are:

AT1: Learning about Religion; Knowledge & Understanding of (Content based).

AT2: Learning from Religion; Reflection on meaning (Process Based).

Attainment Target 1 has 3 strands:

AT1 (i) beliefs, teachings & sources - CHURCH THEMES.

AT2 (ii) celebration & ritual - SACRAMENTAL THEMES.

AT3 (iii) social & moral practices and way of life - CHRISTIAN LIVING THEMES.

Attainment Target 2 has 2 strands:

AT2 (i) engagement with own and other beliefs & values.

AT2 (ii) engagement with questions of meaning and purpose.

*Come and See* is developed through 3 themes based on the 4 constitutions of the 2<sup>nd</sup> Vatican Council, which are gradually explored each time at greater depths. They are Church, Sacrament and Christian Living. Each theme is taught once per term as outlined below:

## THE PROCESS

Explore - The teacher helps the children to begin to look at and focus on the experience within their own lives - concerning themselves, their relationships and their world. This will involve: exploring experiences through story, dance, drama etc; investigation; discussion; consideration of the *big* questions and reflecting on the significance of these experiences.

This will take one week of RE time to complete.

Reveal - This is the heart of the process. The teacher and the children together discover the Christian understanding of the mystery of the Trinity; Father, Son and Holy Spirit. It involves learning about scripture and linking this with their everyday lives. They will also learn about the teaching of the Church, prayers, rites, psalms, hymns and other expressions of Christian faith as well as the lives of outstanding Christians.

This will take two weeks of RE time to complete.

Respond - This is split into 3 parts: Remember (in which the children will remember and celebrate all that they have learnt over the topic), Rejoice (when the children can plan and take part in a celebration) and finally Renew (when the teacher helps the child to make an individual response showing what they have understood about the topic).

This will take one week of RE time to complete.

## OTHER FAITHS

We have a Judaism week in the Autumn Term since Christians and Jews have a common spiritual heritage. One other faith will be taught in the Summer Term (Islam, Hinduism or Sikhism). The process of teaching these other faiths will be through the approach: 'Look', 'Discover', 'Respect'.

## PLANNING

Long Term planning - This is the responsibility of the RE Co-ordinator (following the *Come and See* programme).

Medium Term planning - This is the responsibility of the RE Co-ordinator (following the *Come and See* programme).

Short Term planning - This is the responsibility of the class teacher (following the *Come and See* programme and on the planning grids provided by the Christian Education Department).

## ASSESSMENT - UNDERLYING PRINCIPLES OF RELIGIOUS EDUCATION

Like any other area of the curriculum, we assess how the children are developing. We are not assessing their beliefs but rather looking at how

they are developing in relation to the 2 attainment targets mentioned earlier.

**Early Years Foundation Stage:** A portfolio of annotated work from each topic including photographic evidence is kept by the class teacher. This is used as evidence for the formal assessment records. The children also undertake assessment once each term along with the children from Key Stage 1 & 2.

**Key Stage 1 & 2:** Formal assessment using expectations and attainment levels. This is carried out once each term and is undertaken in the 'Respond' section. An activity will be given by the Archdiocese from *Come and See* that enables the children to show how they have met the learning outcome. This will be marked against the expectation statements and attainment levels.

## MODERATION

For moderation purposes, each teacher will select 3 pieces of children's work to bring to a staff meeting once per term to ensure levels achieved and teacher expectations are uniform within our school. The co-ordinator will keep examples of levelled work for evidence. The co-ordinator also cross-moderates pieces of work with co-ordinators from across the Archdiocese to ensure uniformity with other schools.

## REPORTING

Achievements in RE are reported to parents at Parents' Evenings (October/March) and also in the end of year reports.

## THE SCHOOL IN THE COMMUNITY

Parents and other visitors are invited to participate in our celebration masses, assemblies and collective worships. The school enjoys a very close relationship with the Parish, taking part in services and celebrations. As a Catholic school, we aim to develop the children's charity towards others in the community. We involve the children in charity fundraising events throughout the year including Nugent Care and CAFOD.

## RESOURCES

Each teacher has a copy of the *Come and See* book relevant for their class. The teachers also have access to the *Come and See* website which has all of the electronic resources needed and a John Burland CD relevant to their year group. Other artefacts and resources are stored in the RE cupboard in the Resource Room.

This policy has been presented to the *Governors* at a meeting in the Autumn Term 2017 for ratification and has been disseminated to all staff and parents. It will be reviewed in the Autumn Term 2018.
