Attendance

Our attendance for last week has improved, we must keep this up if we are to reach our gold Attendance Quality Mark.

Please remember if your child is going to be absent from school please phone the office before 9.00am.

If you fail to report your child's absence, it is our policy to make a home visit. If your child needs to visit the Doctor or Dentist, please make the appointment for after school, so that they are not missing their education. Please make every effort to bring your child to school every day, on time, as every minute counts.

Punctuality

This week 23 children were marked late. Being on time each day is a must for all the children if they are to progress academically.
