

Communication & Language

Read the Easter story with your child and talk about why Easter is special for our Church family.
(Please see the story in the attached download on the class page)
How do you celebrate Easter in your house? Do you have any special traditions?

Personal, Social & Emotional

Now more than ever, we need to keep our spirits up! Talk about what makes you happy. Find an empty jar or pot and write a wish list of things that you would like to do, places you would like to visit and people who you would like to see. This will give you something to look forward to.

Physical Development

If you have some playdough at home, visit the 'Spread the Happiness TV' page on YouTube at 9.30am for a live Dough Disco!

https://www.youtube.com/channel/UCjOshfH3pzhxf3dOrSj_pRw

Can you use your body to hop like a bunny? How many hops can you do in 1 minute?

Understanding the World

Spring has finally sprung! Can you spot any signs in your garden that spring is here?

If you have internet access, support your child to search online find out how Easter is celebrated around the world. (Scholastic website has some very useful information)

Expressive Arts & Design

Use recyclable materials and have a go at making your own daffodil. (Egg cartons work really well for this activity!) If you don't have any materials, you could draw or paint one.

Can you make up your own song all about what you can see when the season changes from winter to spring.
