

Communication & Language

It is so important to keep talking during these strange times, but we know that each day we are one step closer to being together again. Talk to your child about how they are feeling. *What makes me feel happy? Why does that make me happy?*

Personal, Social & Emotional

I know that we are all really missing seeing and spending time with our friends at the moment! Can you think of ways that you can be a good friend to someone? *Should we hit our friends? What should we do if one of our friends is feeling lonely or upset?*

Physical Development

We would love to see you have a go at Lucy's PE challenges! Don't forget to share your pictures and videos on Twitter [@lucymoorcraft4](#) Practise your throwing skills, if you don't have a ball, use some socks and have a go at throwing them in to a bucket, bin or whatever you can find in your house!

Understanding the World

This week we will be continuing our theme around 'People Who Help Us'. Currently our NHS are working so hard to protect us and keep us safe. Use a computer to find out about the NHS. Share the story of Pentecost with your child. (Link on class page). Talk about how Jesus' friends felt.

Expressive Arts & Design

Have a go at making bubbles. Blow the bubbles and watch what happens to them in the wind.

When you have finished, why don't you have a go at bubble painting outdoors. Click on this link <https://www.activityvillage.co.uk/bubble-painting>
