

Communication & Language

Sing a range of Nursery Rhymes and add actions to help you remember them. Which one is your favourite and why?

Personal, Social & Emotional

Play a game with members of your family. Remember that it is important to share and take turns. You might not always win but that's ok!

Physical Development

Can you roll yourself up into a ball like a hedgehog? Can you use your body to create spikes like a hedgehog?

Understanding the World

Use the picture in Church's Story 1 pages 18-19 to talk about Matthew's baptism. Make a Baptism candle with a name and symbols on it?

Expressive Arts & Design

Use the template of the hedgehog attached, or draw your own. If you have brown paint find a fork and add spikes. Or go into your garden and find some leaves.
