

Mathematics Development

We have been using Numberblocks to help us with recognising numbers and counting objects. Have a look on Youtube for the videos for 1-4.

Have a go at writing the numbers 1-4. Use this link to help you.
<http://www.communication4all.co.uk/Numeracy/Number%20Formation%20Rhyme%20Cards.pdf>

Can you count up to 4 objects in your house?

Can you order the numbers 1-4?

Can you find shapes with 1 side, 3 sides and 4 sides?

Literacy Development

Can you practise writing your name? If you find this a little bit tricky, ask a grown up to write your name. Then have a go at copying your name.

Which sounds are in your name?

Ask a grown up to cut out the letters in your name to make a puzzle. Have a go at putting the letters back in the correct order.
